Care Management Fees

Your customer care manager is your key HCA contact; they are here to support you and coordinate your care and services. As per the Support at Home Guidelines, Services Australia deducts 10 percent of your quarterly budget to cover the cost of Care Management.

HCA applies the following care management fees

Care Management	\$130.00 per hour
Clinical Care Management & Restorative Care Management	\$185.00 per hour

Clinical

Specialised services to maintain or regain functional and/or cognitive capabilities. Services must be delivered directly, or be supervised, by university qualified or accredited health professionals trained in the use of evidence-based prevention, diagnosis, treatment and management practices to deliver safe and quality care to older people. Session costs include report writing, and administration costs.

Important notes:

1. Prices are current as per the 15th of August and are GST exclusive.
2. If you need to cancel a service (for a non-emergency) with less than 48 hours' notice – the full cost of the service scheduled will be charged.
3. Our services are provided by HCA qualified staff or approved associate providers who we manage through formal agreements to ensure quality, consistency and compliance with Support at Home guidelines.
4. You may cease your services at any time by providing 30 days written notice. HCA does not charge any exit fees.

5. Social events – we may run additional social excursions and activities that are not reflected on this price list – you will be notified ahead of the event to allow you time to accept the pricing.
6. Private services are available if you are awaiting funding or if you require additional services that exceed your SaH budget.
7. This price list applies to, My Care Solutions, Gippsland Care Service & La Bella Life who are part of HCA Corporate Health.
8. Prices are listed as common prices, which is the single price that the service type costs most frequently. Our team will inform you and gain mutual consent on the agreed price and discuss the reasons why in the circumstance the charge for the service is higher than the common price.
